WORK EXPERIENCE

Ernst and Young Global Delivery Services

Technology Risk Consultant

2022 – Current

- Delivered IT General Controls (ITGC), ICFR and Cybersecurity audits across 10+ client engagements spanning over Financial Services, Insurance, and Oil & Gas sectors across GCC region.
- Performed audit assessments aligned with SAMA, NCA ECC-2018, NCA DCC, and Dubai ISR Cybersecurity Controls, ensuring compliance with regulatory frameworks.
- Led ITGC reviews covering Access Management, Change Management, Backup & Recovery, Incident Management, and IT Operations, identifying key control gaps and recommending remediation actions.
- Conducted reviews of SAP ECC and SAP S/4HANA environments and performed a current-state assessment of SAP ITGC controls to evaluate design and operating effectiveness.
- Performed ICFR assessments for the IT domain and coordinated with Statutory and Internal Audit teams to support control testing and assurance activities.
- Reviewed design and effectiveness of change controls, including change authorization, approval, testing, and deployment validation.
- Evaluated user access controls, covering provisioning, transfer, termination, privileged access, and periodic access reviews.
- Conducted Cybersecurity Maturity Assessments for banking and financial institutions based on SAMA CSF.
- Supported Personal Data Protection Law (PDPL) assessments for Middle East clients to ensure compliance with emerging privacy requirements.
- Delivered findings and recommendations to management through clear, concise reports, enhancing IT governance and risk mitigation strategies.
